Summary:

When a new night guard is hired at the museum, she expects a quiet, uneventful job—but as the doors close and the clock strikes midnight, something extraordinary begins. The exhibits spring to life, filling the galleries with vibrant characters from history, art, and imagination. At first surprised, the guard soon discovers a magical world where daring explorers, iconic figures, and masterpieces dance and tell their stories.

As the night unfolds, the guard forms unexpected friendships with these lively inhabitants, learning that every piece has a voice and a story worth sharing. Night at the Museum is a joyful celebration of curiosity, connection, and creativity—reminding us that history is never truly silent when we take the time to see it come alive.

Special Message From the Director

What a very special performance of Night at the Museum! I want to take a moment to reflect on what an incredible year this has been for our studio.

Celebrating our 15th season together has been truly meaningful. It has been a year filled with laughter, growth, beautiful dancing, and so many unforgettable memories. Each class, rehearsal, and performance has been brightened by the sparkling personalities that make our studio such a joyful and welcoming place.

I am so proud of every single one of our dancers—of all ages and levels. Watching you learn, grow, support one another, and bring your artistry to the stage is the greatest reward. This production is especially close to my heart. Night at the Museum is a brand new show that I have dreamed about creating for many years, and it has been so exciting to finally see it come to life. From the creativity and storytelling to the energy and dedication of our dancers, this performance has exceeded anything I imagined.

To our students and families—thank you. Thank you for your continued support, your commitment, and for the unique qualities each of you brings to our studio family. It is because of you that this community is so special. I can't wait to see you COME ALIVE on stage!

With gratitude and pride,
Miss Bethany
